

Tagungsbeiträge / Contribution to Conferences 2014

Beiträge im Tagungsband

1. Tscharntke T (2014) Conservation in tropical agroecosystems: Biodiversity and ecosystem services. In: Tropical Ecosystems – Between Protection and Production. GTÖ Jahrestagung, Freising.

Vorträge und Poster

1. Batáry P (2014) Interaction effects of local and landscape scale variables on farmland biodiversity. In: Seminar at Department of Integrative Biology and Biodiversity Research, University of Natural Resources and Life Sciences, Vienna, Austria. 21. January 2014, 2014
2. Batáry P, Marja R (2014) Farmland bird ecology. In: GfÖ, 2014
3. Batáry P, Fronczek S, Normann C, Scherber C, Tscharntke T (2014) Contrasting responses of bird diversity and avian nest survival to edge effects and tree species diversity. In: GfÖ, 2014
4. Batáry P (2014) Evaluation of agri-environmental schemes. In: Meeting of Farmland Bird Section of the German Ornithologists' Society, Georg-August-University, Göttingen, Germany, 2014, 2014
5. Betz L (2014) Paddy intensification and landscape context effects spider, leafhopper, and plant communities in southern India. In: SCB Asia 2014, Asia Regional Conference of the Society for Conservation Biology - Asia Section, 19-22 August 2014, Melaka, Peninsular Malaysia, 2014
6. Betz L (2014) What is sustainable use of agrobiodiversity? Integrating perspectives on land use change and social transition. In: International Symposium on Society and Resource Management (ISSRM), 09-13 June 2014, Hannover, Germany, 2014
7. Marja R, Herzon I, Viik E, Eltis J, Mänd M, Tscharntke T, Batáry P (2014) Which agri-environment scheme favor in Estonia on farmland bird species richness? In: GfÖ, 2014
8. Motzke I, Tscharntke T, Wanger TC, Klein AM (2014) Effects of common management and landscape context on pollination services and yield in tropical homegardens. In: ATBC International Meeting 2014. Cairns, Australia, 2014
9. Riechers M (2014) Cultural ecosystem services in the urban setting of Berlin: Results from a quantitative valuation. In: PECSRL 2014, 26th session of the Permanent European Conference for the Study of the Rural Landscape, UNRAVELING THE LOGICS OF LANDSCAPE. 8–12 September 2014 in Gothenburg und Mariestad, Sweden, 2014
10. Riechers M (2014) Valuing cultural ecosystem services: Qualitative, quantitative and monetary valuation combined. In: PECSRL 2014, 26th session of the Permanent European Conference for the Study of the Rural Landscape, UNRAVELING THE LOGICS OF LANDSCAPE. 8–12 September 2014 in Gothenburg und Mariestad, Sweden, 2014
11. Rosetti MR, Tscharntke T, Batáry P (2014) Responses of insect herbivores to habitat fragmentation: a meta-analysis. In: GfÖ, 2014
12. Schrader J, Ferderer P, V.Bustamante J, Settele J, Horgan F, Tscharntke T, Westphal C (2014) Pollination service in rice dominated landscapes depend on habitat heterogeneity. In: GfÖ, 2014

13. Tiede J, Tscharntke T, Daniel R, Traugott M, Wemheuer B, Scherber C (2014) Feeding behavior of an omnivorous ground beetle in a grassland with manipulated plant diversity. In: GfÖ, 2014
14. Tscharntke T (2014) Biodiversity conservation in tropical agroecosystems. In: Royal Society meeting, October 6-7, 2014, London, "Threats to Tropical Rainforests", 2014
15. Tscharntke T (2014) Biological Control in Agroecosystems. In: ECE 2014 York, UK, August 2014, 2014
16. Tscharntke T (2014) Conservation in tropical agroecosystems: Biodiversity and ecosystem services. In: Ökologie-Seminar, Bogor (Indonesien), 17.2.2014, 2014
17. Tscharntke T (2014) Landscape moderation of biodiversity patterns and processes. In: Symposium am 10.02.2014: "Ecosystem Service and Landscape Structure", Kyushu University, Fukuoka, 2014
18. Tscharntke T (2014) Landscape simplification and the loss of biodiversity services. In: Symposium "Global Land Use and Food Security", King`s College, University of Cambridge, 20-21 Sept, 2014, 2014
19. Tscharntke T (2014) Local and landscape drivers of aphid-enemy food webs. In: ECE 2014 York, UK, August 2014, 2014
20. Tscharntke T (2014) Spatial ecology of ecosystem service providers: experimental approaches. In: Spatial ecology of ecosystem service providers: experimental approaches Postgraduate Course "Bugs at your service" 31 Aug – 5 Sept 2014, NL-Doorweth, 2014
21. Vollhardt IMG, Ye Z, Parth N, Traugott M (2014) Hymenopteran parasitism and secondary endosymbiont infection of *S. avenae* in wheat fields in relation to fertilisation. In: GfÖ, 2014
