Please note:

The project work shall be associated with a current research topic of the supervisor, it can also show contribution in the preparation of publications. The topic shall be associated with the successive final thesis. Furthermore, the project work is an ungraded work (that is, assessed either as passed or failed). At the end of the project work, a descriptive report and an evaluation of the supervisor on the issues, methods and results of the project work has to be handed over to the board of examiners.

This formular has to be handed in at the secretary's office with all signatures!
