¹ Special regulation: In case of drawing up the Master's thesis in the field of *Latin Philology of the Middle Ages* one additional module totalling 6 C should be achieved in the relevant study field. Hence, the minor subject would total 42 C, which amounts the same with a major subject. The 6 additional credits can be counted as key competencies. The application should be conducted via the chosen major subject totalling 42 C, not via the minor subject.
